Dear Joshua,

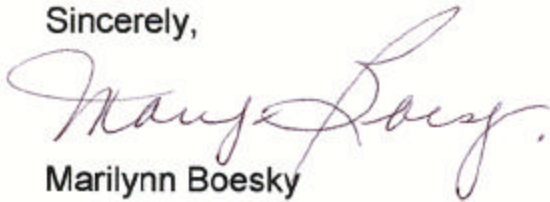

Enclosed is a check for \$2455. Thank you for your great work and your fast response. Polo Plaza looks great!

When you have a chance, please call me and tell me what it would cost for a maintenance program if we decide to leave the lights up all year.

Also, please give me an estimate about putting the clips on for the lights on the building, which you talked about.

Have a happy holiday and thanks again.

Sincerely,

Marilynn Boesky
